WEBINARS Presentations from industry experts on a variety of diseases, cattle topics and practice management. Add upcoming webinars to your calendar.

HAVE YOU HERD? Podcasts Host Dr. Fred Gingrich discusses everything from cattle diseases to mental health for veterinarians to other current topics of interest with a wide variety of guests. Search for *Have You Herd?* on your podcast platform.

AABP FACEBOOK PAGE

The AABP Facebook page has over 10,000 followers who enjoy AABP announcements, articles and more on a daily basis.

CONTINUING EDUCATION

ANNUAL CONFERENCE For over 50 years, the AABP Annual Conference has provided veterinarians and students with high-quality CE and information, including interaction with peers, colleagues and animal health companies and suppliers through presentations, preconference seminars and clinical forums.

RECENT VETERINARY GRADUATE CONFERENCE

Designed specifically for veterinarians out of school seven or fewer years, this conference offers targeted information in a more relaxed atmosphere to inspire and build confidence in the next generation of AABP members.

FREE RACE-APPROVED ONLINE CE

through the Beef Cattle Institute that includes conference presentations and recorded webinars. Access online or download the BCI Mobile Conference app from your app store.

FREE PUBLICATIONS

THE ANNUAL CONFERENCE AND RECENT VETERINARY GRADUATE CONFERENCE PROCEEDINGS are available online.

THE PEER-REVIEWED *BOVINE PRACTITIONER*, in a new open-access searchable platform.

HAVE YOU HERD? E-NEWSLETTER, AABP GUIDELINES AND POSITION STATEMENTS are available online.

COMMITTEE INVOLVEMENT

Over a dozen committees, task forces and working groups that examine issues of interest and whose members create, review and update AABP Guidelines and Position Statements. Committees have discussions on specific topics, contribute to monthly AABP newsletters and develop webinars on subjects of interest. To join a committee, contact fred@aabp.org.
